### Objective

I am a third-year Computer Science student at Narasaraopeta Engineering College with a passion for building innovative web and mobile solutions. I am eager to apply my technical skills and project experience in a dynamic, growth-oriented environment.

### Education

Qualification	Institution	Year of Study	C.G.P.A / %
B. Tech	Narasaraopeta Engineering College	2022 - 2026	8.6
Intermediate	Sri Chaitanya Junior College	2020 - 2022	94.5%
SSC	Municipal Girls' High School	2019 - 2020	9.8

### Skills

- Proficient in Programming Languages like C, Java, JavaScript, and Python
- Hands-on Experience in Full-Stack Web Development using React, Node.js, and Express
- Able to Design Responsive Web Interfaces using HTML, CSS, and Bootstrap
- Experience in Working with Databases like MongoDB and MySQL
- Comfortable Using Tools like Git, GitHub, and Visual Studio Code
- REST APIs, Cloud Deployment, Frontend Development, Backend Development

### Experience

#### MERN Full Stack AI Intern — APSCHE Student Internship Initiative (2025)

- Engineered a MERN-based e-learning platform (*Learnfinity*) with dynamic routing and responsive UI, reducing page load time by 25%.
- Implemented authentication and database management using MongoDB and Express, securing data for users.
- Optimized UI components in React, boosting user engagement by 30%.

- Collaborated with a team of 4 interns, delivering the project 2 weeks ahead of schedule.
- Received Internship Completion Certificate from APSCHE for successful project delivery and technical contributions.

## Projects

- **Princess Studio (Beauty-care salon):** This project is built with React and Firebase, providing a modern and user-friendly platform for users.
- **Wisdom Bookstore:** An Android app powered by Firebase for browsing, searching, and purchasing books online.
- **Healthcare Management Website (Community Service Project, 2023):** Designed and developed a healthcare website with form validation, CRUD operations, and routing, enabling 100+ patients to access services online.

## Certifications

- NPTEL — The Joy of Computing Using Python
- Infosys Springboard — Machine Learning Basics
- HackerRank — Problem-solving Using C
- Android Development — Course Completion Certificate
- edX — Introduction to C++ (Course Completion Certificate)
- IBM SkillsBuild — Artificial Intelligence Fundamentals
- IBM SkillsBuild — Web Development Fundamentals

## Awards

- 1st Prize — English Academic Excellence (10th Grade)
- 2nd Place — Hackathon (Python Quiz)
- 3<sup>rd</sup> Place — Hackathon (MERN)

## Contact Details

- **Languages:** English, Hindi, Telugu, Urdu
- **Address:** Narasaraopet, Palnadu district. Andhra Pradesh, India
